November 29, 1939.

On this 29th day of November, 1939, all members of the Board of County Commissioners and the County Clerk met in adjourned regular session at the hour of 9 o'clock A. M.

Ben Babb, City Engineer, J. W. Stone, City Clerk and R. O. Burgert met with the Commissioners to discuss the matter of bringing adjacent properties into the city limits. (The boundary line, as proposed, is outlined on plat in office of the County Engineer.) This was merely a preliminary meeting and not held for the purpose of taking definite action. At this time, the county could offer no objection to the move as planned by the City. (County Engineer and County Attorney, also, present at this meeting.)

In regard to the location of a road, came John Selzer, said road to be located between Sections 20 and 29; and Sections 21 and 28. To locate such a road would necessitate the construction of a bridge over Captain Creek. It was suggested by the Board that the Commissioners view this situation to determine the advisability of such a road. (View--informal--Dec. 4 at 2 P.M.)

The County Engineer stated that he wished to secure bids on ten (10) tons of reinforcing bars. Board approved same. Some discussion was given to the advisability of purchasing a paint spray for use of the Bridge crew in painting bridges.

The following cancellation orders were approved by the Board:

No. 158: "To CANCEL 1939 Real Estate tax in the amount of \$37.46, based on a valuation reduction of \$1,000.00 for dwelling which was wrecked and removed late in 1938.

Credit the above cancellation to N 40' of Lot 146, Addition 2, North Lawrence, in the name of Riley H. Rogers.
