No. 178\*\*\* There is in the General Tax Account a balance as of this date of \$74.32. Against this balance there is due Mr. S. S. Learned, former County Treasurer, an amount of \$28.32 which he paid into the account on October 8, 1935, as "unaccounted over-collections on the 1934 tax account". There remains in the General Tax Account, without claim a balance of \$46.00, which represents the accumulation of differences between tax collections and the tax abstracts over several years.

It is hereby ordered that the balance of \$46.00 be transferred from the discontinued General Tax Account to the County General Fund.
