Although Mr. Moore from the Williams-Roberts Motor Company and Sheriff Charles Banning talked to the Board about the purchase of a new car for the Sheriff's office, no action was taken. The Sheriff said that he wanted to do what was the most economical in the long run. He said it was very important that his office had a good car and that it be in excellent condition; and, although, the present car is in good condition, there is no doubt that this second year of service would mean a considerable amount of repairs for it.

By proper motion, second and vote, the following resolution was passed:

RESOLUTION

WHEREAS, for the month of December, 1940, there are just, and due, claims against the Road Fund totaling \$1142.40 for wages, and salaries, and

WHEREAS, the balance in the "Wages" item of the road fund budget now shows a balance of \$181.85, and

WHEREAS, we are authorized by law to increase a budget item by 25% in case of emergency, and

WHEREAS, it is necessary that the item for "Wages" in the 1940 budget be increased by \$960.55 in order to meet all just and due claims, and

WHEREAS, it has been ascertained that an increase of \$960.55 in the item for "Wages" will not exceed the limit for increase of 25%, nor will our total Road fund expenditures for the year 1940 exceed the Total road fund budget for the year.

NOW THEREFOR, be it resolved by the Board of Douglas County Commissioners that the "Wages" item within the Road fund be increased by \$960.55, and that the County Auditor be authorized and hereby instructed to make the necessary budget change.
