

COMMISSIONER'S RECORD N

113

Douglas County Republican, Lawrence

Due to the intervening period from January 28, at which time the present County Engineer will terminate his services with the county, and February 1, when the new Engineer will take office, the Board took action appointing an Acting Engineer to take care of any business that may come up during this time. J. M. Sanderson moved the adoption of the following resolution. Ed Johnson seconded the motion. On vote, motion carried by affirmative vote.

RESOLUTION

WHEREAS, J. E. Stephens, County Engineer (resigned) expects to vacate his office on or about the 28th day of January, 1941, and

WHEREAS, Mr. E. E. Larson, the newly appointed County Engineer will not officially take over his duties until February 1, 1941, and

WHEREAS, it will be necessary to designate an acting County Engineer to serve during the period after the office is vacated by John Stephens, and before it is officially filled by Mr. Larson.

Now, Therefore, be it resolved by the Board of Douglas County Commissioners in special session assembled, that, Len. L. Jella, Draftsman and Instrumentman, now employed in the office of the County Engineer, be, and is hereby designated as the acting County Engineer, and that he shall serve in that capacity until such time as Mr. Larson officially takes office.

Adopted this 27th day of January, 1941.

C. V. Newman, new District man for the Seed Crop Loan office, appeared before the Board to explain the purpose of this office, and to ask the county to furnish a girl for about two days per week and the rental of a typewriter, during the time applications are taken for these loans. The Board took no action on this request at this time.

The personnel of the Road and Bridge crews was discussed and some changes were made. Roy Hegeman was appointed as Foreman of the Bridge Crew to replace Wm. T. Jacobs. Other than Jacobs, services of the following were no longer required after the 1st of February: John Daniels, Joe Smith and Albert Young.

The Board adjourned to meet Wednesday, January 29, at 9 o'clock A. M.

January 29, 1941.

At the hour of 9 o'clock A. M., all members of the Board of County Commissioners and the County Clerk met in adjourned regular session.

As per appointment Harry Sutton appeared before the Board in regard to operating the Lecompton Well, from which he is desirous of securing his water supply for his cattle. The following Agreement was entered into:

AGREEMENT

This agreement made this 29th day of January, 1941, by and between the Board of County Commissioners of Douglas County, Kansas, party of the first part and Harry Sutton of Douglas County, Kansas, party of the second part;

Witnesseth, the said party of the first part in consideration of the agreements of the party of the second part, hereinafter stated, agrees to install an electric motor pump at the County well located at the north end of the Lecompton Kaw River bridge of Lecompton Township, and agrees to allow the party of the second part to operate said motor and pump and to use all water that he needs from said well.

In consideration of which the said party of the second part agrees to pay the costs of installing the said pump and motor and to pay for all electricity used in operating said motor and to pay any necessary expenses for repairs to said motor and pump, said party of the second part further agrees to allow the Lecompton school district or any individual residing in Douglas County to use what water they need from said well, provided, however, that said school district or individuals pay the party of the second part a proportionate share of the electricity used.

This contract to be in full force and effect for ninety days from the day hereof, with a further provision that it may be renewed on expiration of the ninety day period by consent of both parties, and in case it should be renewed after the expiration of the ninety day period, the contract may be terminated at any time by ten days' notice given by either party to the other party of the contract.
