

Douglas County Republican, Lawrence

Statutes provides that the cost of the main sewer below a fixed point shall be divided between the districts in proportion to the benefits received. Assuming that the cost of the main sewer from the proposed point of connection to its connection with the city sewer was about \$3000, and 77 lots having paid for the sewer, the thirty lots of the Spencers if they had been included would make the average cost per lot for the main approximately \$28.00 for each connection. If the new joint district is formed Mr. Spencer would pay in cash approximately \$840.00, the same to be repaid to those persons who paid for Sewer District No. one in proportion as each paid for the total cost of the joint section in the same manner as though it had all been included in a joint district at the time of building.

Further discussion was postponed until a future date.

Bids for a steel file for use of the Bindweed Supervisor in lieu of the one now in the office of the County Commissioners, were received and opened. Said bids are as follows:

Keeler's Book Store: One steel, four drawer file, Grade "C"	\$22.85
Lawrence Typewriter Exchange: One steel four drawer file	27.00
For lock, add \$5.00 to the above.	
Bullock's: One steel, four drawer file	29.55
For lock, add \$5.60 to the above.	

Bid of Keeler's Book Store accepted for steel file (Bullock's)

Ed Johnson moved that the bid of the Keeler's Book Store for one steel four drawer file in the amount of \$22.85, be accepted, they being the low bidder. Said file to be used by the Bindweed Supervisor. J. M. Sanderson seconded the motion. On vote, motion carried by majority vote. (Mr. Griffith was absent at this time, attending a funeral.)

The following cancellation order was passed by the Board:

No. 228: " CANCEL 1940 Personal Property tax in the amount of \$7.60, based on a valuation of \$200.00, charged to Mary C. Morgan, 805 Ohio Street, Lawrence City.

Assessor Miner failed to apply exemption of \$200.00.

BY ORDER OF THE BOARD OF COUNTY COMMISSIONERS.

Attest by T. R. Gerhart County Clerk.

Again Bill Jacobs made a verbal application for a job with the county. The Board advised him to see the County Engineer in regard to same.

In regard to the request of Mrs. Lillian B. Peirce for a property adjustment on real estate described as the S $\frac{1}{2}$ of Lot 94 and all of Lot 96, Ohio Street, the County Commissioners accompanied by Mr. Gerhart and a representative from the City Engineer's office, viewed said property this day. In her application for relief from a tax grievance to the Commission of Revenue and Taxation, Mrs. Peirce asked that the valuation of Lot 96 be reduced to \$100 and the valuation of S $\frac{1}{2}$ of Lot 94 be reduced to \$50. After viewing said property, the Board was of the opinion that such reduction was fair, therefore, they recommended in writing to the State Tax Commission that such adjustments be made.

The Board adjourned to meet Wednesday, March 19, 1941.
