For the first regular meeting of the month, all members of the Board of County Commissioners and the County Clerk met in the regular meeting rooms of said Board.

Regular claims for salaries, wages and supplies were carefully checked and passed as per Allowance Record.

The bond of Eugene A. Daniels for Constable in the City of Lawrence was approved by the Board.

Detailed discussion was gone into concerning the salary of Cecil Georgie, Jailer. It being the opinion of the Board that said Georgie merits an increase in salary, J. M. Sanderson moved that the salary of Cecil Georgie be increased from \$50.00 to \$65.00 per month, effective April 1, 1941. Ed Johnson seconded the motion. On vote, called by L. H. Griffith, all Commissioners voted "Aye".

With the County Engineer, E. E. Larson, the Commissioners discussed the wage schedule of the Engineering Department. After some consideration, changes were made as follows, by motion of Ed Johnson, seconded by J. M. Sanderson and on unanimous vote:

L. R. Hollingsworth	40¢ to 45¢ per hour
Elton Dark	40¢ to 45¢ per hour
Lawrence Rice	40¢ to 45¢ per hour
Geo. Perdue	37½¢ to 40¢ per hour
Lloyd Hegeman	37½¢ to 40¢ per hour
O. D. Hatcher	40¢ to 45¢ per hour
J. P. Harris, Clerk	was placed on a monthly salary of \$93.60.

A man by the name of Jackson talked to the Board about fixing the courthouse clock. The clock is in need of being cleaned and the cable should also be repaired. Mr. Jackson is an advance man for his company. The crew gets around about every four years. No action.

County Treasurer, Roy Flory, asked the Board to increase the salaries of some of the help in his office, namely, Mrs. M. E. Eudaly, Mary Ellen Simmons. Willfred Eudaly, bookkeeper is also asking for a wage increase. Mr. Flory said his budget could stand an increase, because they have kept other expenses down to the minimum. He said that some of them have taken civil service examinations and he was afraid that unless they could receive salaries increases, they would consider other positions. At the present time Mrs. Eudaly and Mrs. Simmons each receive 30¢ per hour and Willfred Eudaly receives \$80.00 per month. The Board wished to discuss this matter among its members before taking action.

No further business appearing, the Board adjourned to meet Wednesday, April 2, 1941.

The Board of County Commissioners, namely, L. H. Griffith, Chairman, J. M. Sanderson and Ed Johnson, Commissioners and the County Clerk T. R. Gerhart, met in regular adjourned session.

Milton Beach, County Attorney talked to the Board about the new moratorium law passed by the House and which is now up before the Senate. If this law passes, it will prolong the Judicial Tax Sale.

Mrs. Harry S. Gregg from the Lone Star Park made several requests to the Board. She asked that the county pay for some repairs on her automobile which is being used by Harry Gregg in his patrol of the lake. She said the automobile is badly in need of repair, part of this due to hauling things in the car. She said, also, that the gasoline allowed to them by the county isn't sufficient for the patrol of the lake, and that they have to buy additional gasoline. Mrs. Gregg asked that the county allow them so much for the use of her car. She asked that the back porch and the front porch of their house be screened in. They also need some screens for the house. The Board asked her to list her requests in writing and then it would take action on them later on.
