

## COMMISSIONER'S RECORD N

Douglas County Republican, Lawrence.

Bids for ammunition for the Sheriff's office were opened by the Board in the presence of Lathrop B. Read, Jr., Undersheriff. These bids are itemized and on file in the files of the County Clerk. Total amounts are as follows:

|                   |         |
|-------------------|---------|
| Ernst and Son     | \$56.25 |
| Lawrence Hardware | 66.67   |
| Green Brothers    | 58.88   |

Ernst and Son being the low bidder, was awarded the contract for the furnishing of ammunition for the Sheriff's office. Action was taken by motion of Ed Johnson with a second by J. M. Sanderson and unanimous vote of the commissioners.

Again the matter of appointing a Director of Civilian Defense for the county was discussed. The qualification of certain people were discussed, and finally the Board personally interviewed Mrs. W. O. Nelson and asked her to accept this position. Mrs. Nelson asked for a little time to think this over before accepting.

More bills against the county were by proper motion, second and vote, passed this day. Same are recorded in the Allowance Record in the County Clerk's office.

This being the day for the re-organization of the Board, all members cast their votes by ballots for the position of chairman. By majority vote, L. H. Griffith was re-elected chairman.

J. M. Sanderson moved that Ed Johnson be elected Vice-chairman of the Board. L. H. Griffith seconded the motion. By majority vote, Ed Johnson was so elected.

Floyd Gottstein made verbal application for the position of County Bindweed Supervisor. The chairman informed him to make application to the County Clerk, said application would be considered at a later date.

For the purpose of discussing the radio setup with the county and city used in peace officers' work, appeared a committee composed of J. W. Stone, Willard Brown, R. W. Dicker, Roy Bushey, F. A. Russell and Chas. Banning. The chairman of the Board explained that the county purchased these radios with the understanding that they would be hooked up with the city. The question at this time was how much should the county contribute toward their share of the expense of using the power for the use of this system of communication in police work. The Commissioners voiced their willingness to contribute a fair share of this cost. It was suggested by a member from the City committee that a record be kept of the cost, as this could not be determined otherwise. It was finally agreed that the county would pay \$100.00 per year to the city for the county's share of the power used for the county radios. Whereupon, J. M. Sanderson moved that the county pay \$100.00 per year to the City for the County's share of the power used for the county radios used by the Sheriff's force. Ed Johnson seconded the motion. On vote, all commissioners voted "Aye".

No further business appearing, the Board adjourned to meet Saturday, January 17, 1942.
