WHEREAS, public notice has been duly given for twenty days prior to the date hereof notifying all political subdivisions, public officers and taxpayers that a public hearing would be held on the matter of allocating the residue sales tax to the welfare fund and that said hearing would be held in the city of Lawrence on the 27th day of June, 1942, as provided in Section 79-3621, supra, and

All members of the Board of County Commissioners and the County Clerk met in regular adjourned session on this 6th day of July, 1942, in the regular meeting rooms of said Board.

More bills against the county for wages, materials and supplies were minutely inspected and ordered paid. A record of such vouchers and amounts is on file in the office of the County Clerk.

Henry Asher, representing a Mrs. Jennie G. Buck, appeared before the Board of County Commissioners in an effort to clarify a description of certain property in Sec. 18-12-18. This pertains to an erroneous description of said property which was deeded by Mrs. Buck and her husband to grantees May 1, 1919. The records show that the description of the actual property which should had been deeded is in the name of the county and the description in the deed was actually describing the property belonging to the county, and not that which was owned by Jennie Buck and husband.

The Board informed Mr. Asher to prepare the proper papers and it would be willing to do anything to clarify the matter.

The Board adjourned to meet Wednesday, July 8, 1942.
