As per appointment, Fred Gregory and members of the Kanwaka Township Board, namely, Frank W. Houk, Ralph Colman and Hubert Wulfkuhle and Township Treasurer-elect Otto Johanning, met with the Board to determine if a verbal contract made between said Board and the County Engineer E. E. Larson was still good. Said contract was made for the rocking of a certain road adjacent to property owned by Mr. Gregory. Mr. Larson had agreed that they could purchase rock from the county at 55¢ per yard delivered. Alva T. Hodges, County Foreman, said that this price was far below cost and that at the present time the county was unable to secure sufficient rock for its own use on county roads. Gregory said that he had planned to contribute \$90.00 toward the cost of rocking this road as per this verbal contract.

After considerable discussion, the county agreed to enter on the property of Fred Gregory for the purpose of ripping the rock and hauling same to the road, the Kanwaka Township Board to pay the county the total sum of \$100.00. The Township Board agreed to crush said rock. Since all were in agreement, the following was signed:

## AGREEMENT

THIS AGREEMENT made this 4th day of January, 1943, by and between the Board of Kanwaka Township and the Board of County Commissioners of Douglas County, Kansas,

WHEREBY, it is agreed that for the sum of \$100.00 said County Board will haul and distribute Three Hundred (300) yards of rubble rock, to be ripped out by Kanwaka Township on Mr. Fred Gregory's farm in said township, out on the road leading from said Mr. Gregory's house East one-half mile. Said rock to be piled three (3) yards in a pile over the length of the road.

This work will be done as soon as conditions permit.
