A. M. Gardner, County Treasurer, reported to the Board that he will be in need of extra help in his office in order to write all the tax statements, which he hopes to have completed by the 15th of November. The Board, on checking the budget, said that there was not sufficient funds under that classification to pay for the extra help that he needs, but that if it is so necessary, he would be given permission to hire two extra typists as per his request for a certain length of time, in order to prepare the tax statements, same to be paid 40¢ per hour.

Ed Abels said that he had been asked by certain citizens of Eudora, to have a road petition blank sent to them, so that they may petition for the reopening or location of the old Woody Road, which was recently closed by the Board. As per his request, the Board directed that the proper form be sent to Geo. Lothholz, Eudora, Kansas.

The Board adjourned to meet Wednesday, October 27, 1943.

October 27, 1943.

In regular adjourned session this 27th day of October, 1943, there convened in the regular meeting rooms of the Board of County Commissioners, all members of said Board; there being present, also, T. R. Gerhart, County Clerk.

R. Skinner, Sheriff, requested that the Board give consideration to salary increases for the deputies in his office. The Board said that it would take this matter under consideration and check the budget in regard to the funds for the balance of this year before reaching a decision.

The report of court stenographer's fees was submitted by John Callahan, Clerk of Court, and signed by the Chairman of the Board.

The Board discussed the transfer of Ed Sanders, assistant to the Lone Star Park Superintendent, from the Lake to the County Shops. Inasmuch, as it was thought that there was more need of his services at the Shops than the Lake, the following motion was made: M. N. Penny moved that Ed Sanders be transferred from his position at the Lone Star Lake to a position with the road crew, and that if he accepts such position, to report to Roy Hegeman, General Foreman of the Road and Bridge Crews, on the first of November, 1943. Ed Johnson seconded the motion. On vote, motion carried unanimously.

Quarterly reports of the county officials were presented to the Commissioners by the County Clerk.

Bids on two Receipts and Disbursements Ledgers were submitted to the Board by the County Clerk:

The World Company:

\$105.00 three-quarter leather binding.

\$110.00 full leather binding.

Saml Dodsworth Stationery Co.:

\$160.00 three-quarter leather binding

Add \$7.50 each book (total \$175.00) for full leather binding.

After the above bids were opened and scrutinized, it was moved by Ed Johnson that the Board accept the bid of the World Company, they being low bidder, for the furnishing of two Receipts and Disbursements Ledgers with three-quarter leather bindings, at the bid price of \$105.00. M. N. Penny seconded the motion. On vote, called by Chairman Griffith, motion carried unanimously.

Again, the matter of salary increases for the deputies in the Sheriff's Department came up for consideration, the Sheriff being present at such discussion.

After checking the budget carefully in order to determine if such increases could be made at this time, the Board discovered sufficient funds in said budget to cover the increases as set out in the following motion: M. N. Penny moved that the salaries of the three deputies in the Sheriff's office, namely: Elmer Schiller, Ed Harris and R. W. Sanders, be increased from \$130.00 to \$150.00 per month; and that the salary of Cecil Georgie, Jailer, be increased from \$70.00 to \$85.00 per month, all to be effective the first of November, 1943.

There was some discussion on erecting traffic signs at certain points in Clinton Town due to the traffic hazard there. This matter was referred to the County Attorney. After which, the Board passed the resolution attached hereto, setting up the speed limit through the town of Clinton.
