The Board of County Commissioners met in regular adjourned session, all members of the board
being present.

The matter of reducing the assessment against Florence Hobbs on the East 10 inches of the
wall on the East 10 inches of Lot 94 High Street, in Baldwin, was again brought up for discussion.
County Attorney John J.Riling was present. The present valuation of the wall is $720.00, the
tax thereon plus the tax on the ground being $23.08. The 1942 and 1943 taxes are still due and
unpaid as are the 1944 taxes.

After considerable discussion, it was agreed that nothing could be done about the taxes for
1942 and 1943,but the assessment and tax could be lowered for 1944. Thereupon, M. M. Penny made
the motion that the assessment on the wall be reduced to the sum of $250.00 making the total assess-
ment on the wall and ground $270.00. Ed Johnson seconded the motion. Upon vote called, the
motion carried, and the board instructed the County Clerk to issue the order accordingly.
