Mrs. Melvin Goff, appeared before the board in regard to complying with the noxious weed law. Mr. Anderson, county weed supervisor was also present. Mrs. Goff stated she had sowed a lot of lespedeza on her farm, planning to sell it, and now Mr. Anderson has informed her there is bindweed in spots on the 80 acres, and she cannot sell the lespedeza or any other crop from the farm until the bindweed is eradicated. Mr. Griffith explained the portion of the law providing for action by the county if complaints are filed by neighboring farmers. Some of Mrs. Goff's neighbors have complained about the bindweed. Mr. Anderson said there were a few spots on the North half of the 80 that could be treated easily and Mrs. Goff could sell the lespedeza from that portion of the farm this fall, but the South half of the 80 acres was overrun with bindweed and would be hard to treat. After some discussion, Mrs. Goff agreed to have the North half of the 80 acres treated.

Fred W. Kahn, County Treasurer, appeared before the board, asking for salary increases again, stating he had asked for increases for both Mrs. Davis and Mrs. Eudaly in the amount of \$10.00 each and for Roy Flory, deputy county treasurer, a \$15.00 increase. The board reminded the County Treasurer the increases for Mrs. Davis and Mrs. Eudaly had been granted at the time he asked for them on April 2nd, and at that time the request for the Deputy's increase was turned down. After some discussion, the board again refused the request for the increase of \$15.00 for Roy Flory, Deputy County Treasurer.

Mr. Kahn mentioned transferring to the cashier system, stating \$125.00 would have to be paid to a cashier if and when one is obtained.

The printing of the 1945 tax receipts was discussed, and the estimate of the World Company was discussed, and the estimate of the World Company was presented. It was moved by Mr. Penny the estimate of the Journal World Company be accepted and the contract let for the printing of 30,000 tax receipts at \$627.50.
