

COMMISSIONER'S RECORD N

Douglas County Republican, Lawrence

October 24, 1945

The Board of County Commissioners met in regular adjourned session, all members of the board being present.

Resolutions No. 1848 and 1849 as passed by the City Council of the City of Lawrence, were presented to the Board. After some discussion the following action was taken on Resolution No. 1849 which provides for the grading, curbing, paving and otherwise improving Barker Avenue from Twentieth Street to Twenty-Third Street, determining the kind of curbing and pavement, declaring and defining a benefit district within the City of Lawrence, and describing the lands, lots and blocks within such district to be assessed to pay the costs thereof.

"To the Governing Body of Lawrence, Kansas.

At our regular meeting held on the above date, the Board of County Commissioners of Douglas County, Kansas, considered Resolution #1849 regarding the grading, curbing, paving and otherwise improving Barker Avenue from 20th Street to 23rd Street.

This is to advise that the Board of County Commissioners does not feel at this time that the above project can be carried out for the reason the 1935 General Statutes of Kansas, Sections 14-510 and 14-511 provides that two-tenths (2/10) of the cost of said project should be paid from the road fund of said county. Not so long ago this county went on a cash basis and therefore, it has no funds with which to proceed with such a project.

Should the Governing body of Lawrence, Kansas determine or find that the paving of the above street could be accomplished by having the land owners pay the complete cost of said project by assessment, then the County Commissioners feel they might give the project favorable consideration."

Resolution No. 1848 providing for the improvement of Haskell Avenue from 13th to 14th Streets, was accompanied by the original petition signed by property owners living in the 1300 block on the West side of Haskell Avenue. The County Attorney was instructed to prepare a Resolution accepting the resolution of the City Council and declaring the improvement of said block on Haskell Avenue, a public utility.

The following resolution was adopted by the Board of Commissioners designating bank depositories for Public Funds, to be used by Roy Flory, County Treasurer:

RESOLUTION DESIGNATING BANK DEPOSITORIES
