The regular monthly claims for payroll, services and supplies were approved and allowed as per the allowance record.

The Board again discussed the road petition as filed by E.S. Parnell and others. Since the road requested would be on the North side of the river, and would lay within what is now Wakarusa Township lying North of the Kansas River. The members of the township boards of Wakarusa and Grant Township were requested to be at the meeting of the board on Monday May 6th.
