The Board of County Commissioners of Douglas County met in regular adjourned session, all members of the Board being present.

Commissioners Cancellation Order No. 545 was approved by the Board.

The Board approved and signed a resolution endorsing the Pick-Sloan Plan of Flood Control.

The following resolution, closing a portion of Road No. 172, and closing a portion of Road No. 437, was passed by the Board:

RESOLUTION

WHEREAS, the Board of County Commissioners of Douglas County, Kansas, unanimously finds that it would be to the best interest of Douglas County, Kansas, to vacate the following described roads within said county of Douglas, Kansas, to-wit:

A Part of road beginning on the center line of Road #172, 20 chains North and 9 links West of the Southeast Corner of Section 4, Township 14, Range 18, thence North and parallel with section line between Sections 3 and 4, Township 14, Range 18, 20 chains, thence East 16½ links, thence North and parallel with section line 30 chains, to a point 7½ links East of the Section line. Total length to be vacated 50 chains or 5/8 mile.

and

A Part of road #437 beginning at the Southeast Corner of Section 33, Township 13, Range 18, a point of the center line of road #437, thence West on Section line between Sections 33, Township 13, Range 18 and Section 4, Township 14, Range 18, a distance of 8.10 chains, thence North 12°30' East 3.35 chains, thence North 9° West 4.07 chains, thence North 6° West 3.04 chains, thence North 4°30' West 3.48 chains, thence North 6° West 3.40 chains, thence North 31° East 2.06 chains, thence North 41°30' West 3.61 chains, thence North 38° West 3.70 chains thence North 49°30' West 3.20 chains to a point 31.24 chains North and 16.74 chains West of the Southeast Corner of Section 33, Township 13, Range 18, both in Douglas County, Kansas

and it is further unanimous judgment of said Board that said roads are not a public utility by reason of neglect, non-use, and inconvenience; and that said roads have become practically impassable and the necessity of said roads as a public utility does not justify the expenditure of necessary funds to repair said roads or to put the same in condition for public travel.

WHEREAS, the Board of County Commissioners further find that said Douglas County has more than 1200 inhabitants and less than 45,000 inhabitants; and said Board further finds that the said roads as above described are less than two miles of consecutive roads.

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF DOUGLAS COUNTY, KANSAS, in regular session assembled this 11th day of December, 1948, that the roads as above described, being a part of the roads located in Douglas County, Kansas, be vacated and excluded from the roads of Douglas County, Kansas, as provided by Section 68-102 of the 1945 Supplement to the General Statutes of Kansas for 1945; and that this Resolution and Order be entered at length upon the records of the proceedings of the Board of County Commissioners of Douglas County, Kansas; that the County Clerk of Douglas County Kansas, certify a copy of this Resolution and Order, to the County Engineer of Douglas County, Kansas.

IN WITNESS WHEREOF, we have hereto set our hands this 11th day of December, 1948.
