

## COMMISSIONER'S RECORD O

Motion was made by Mr. Ogden, seconded by Mr. Banning that the Special Road and Bridge Fund in the amount of \$58.39 be transferred to the Road and Bridge Fund:

## RESOLUTION

WHEREAS, the Board of County Commissioners of Douglas County, Kansas, has met at a regular session this 24th day of April, 1954, the following Commissioners being present: Chairman Elmer W. Ousdahl, Commissioner Charles E. Banning, and Commissioner Ray C. Ogden.

WHEREAS, the Board of County Commissioners now discovers that there is a total of \$58.39 presently held in the Special Road and Bridge Improvement Account and that said amount is too small to be of any benefit in said account and that it is more expedient and to the best business and accounting experience to transfer said sum of \$58.39 from the Special Road and Bridge Improvement Account to the General Road and Bridge fund.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Douglas County, Kansas, that the balance of \$58.39 presently located in the Special Road and Bridge Improvement Account be transferred and put into the General Road and Bridge fund as of this date, namely, the 24th day of April, 1954.
