County Commissioners, Douglas County.

May 5, 1954.

The Board of County Commissioners of Douglas County met in regular adjourned session with all members of the Board present.

Road and bridge matters were discussed with the County Engineer, J. I. Rice.

The Board viewed the road set out in a petition of C. W. Davenport, and others, for a road in Section 34, Township 12, Range 19E. The recommendation of the viewers, Melvin Miller and Ed Frick is as follows;

"We, the undersigned viewers of Road Petition dated March 31, 1954, signed by C. W. Davenport and others, make the following report:

Due to the fact that all people concerned and all people who might benefit from said road already have access to a state highway or a good allweather gravel road; and, furthermore, the cost of building said road would so greatly exceed the general benefits derived. We recommend that the petition be denied.
