R E S O L U T I O N

WHEREAS, the Board of County Commissioners of Douglas County, Kansas, have met at a regular session on this 30th day of April, 1955, the following Commissioners being present: Chairman Charles E. Banning, Commissioner Elmer W. Ousdahl, and Commissioner D. M. Harris.

WHEREAS, the Board of County Commissioners now find it advisable to provide additional compensation to all county officers, their deputies, assistants and employees, except employees of the Welfare Department of Douglas County, Kansas, which said employees are regulated by Civil Service requirements and consequently not included herein. Said Commissioners further find that such increases now become necessary as a result of House Bill No. 73 which became effective and became in force from and after April 1, 1955, and at the time of its publication on said date in the official state paper. That it is the purpose of this Resolution to keep in effect, the salaries as previously fixed by Resolutions of this Board dated December 15th, 1954, all of such salaries as provided in the Resolution hereinbefore mentioned being within the limits and authorization of said House Bill No. 73, said Commissioners then specifically find that said additional compensation shall be paid to all elective officers under the authority of said House Bill 73, in the amount of 15% of the salary fixed by statute for each such elective officer, and that all other employees, namely, deputies, assistants, and employees, shall receive a flat salary increase of \$10.00, after each of said deputies, assistants and employees have been employed by Douglas County, Kansas, continuously for one year. That it is hereby specifically provided that the increases to be granted hereunder shall not be in addition to the increases provided in the Resolution dated December 15th, 1954, but shall maintain the salaries at the same amount as provided in said previous Resolution on December 15th, 1954, and that this salary increase Resolution is for the purpose of validating such increases under the existing authority of House Bill No. 73. Further, that the increase herein provided shall be for a period of time extending from April 1, 1955, up to and including December 31, 1955. That no such additional compensation shall be paid for services rendered after December 31, 1955, that the additional compensation herein provided shall augment the total salary of each county officer, deputy, assistant and employee, and be paid in addition to the base salary for each of said officer, deputy assistants and employees, as established by the laws of this State.

Any elective officer who holds two or more county offices shall receive the additional compensation hereinbefore provided as five percent of the salary for the office to which he was elected and shall receive no additional compensation for the other office or offices which he holds.

That such additional compensation shall be paid in equal monthly installments and shall become effective and operative on April 1st, 1955.

The Commissioners hereby find and determine that this Resolution is authorized by House Bill No. 73 of the 1955 Legislature and that said Bill, by specific provisions therein, provides that such salary increases or additional compensation shall be in addition to and not conflict with any of the provisions of Chapter 28 of the General Statutes of Kansas, 1949, or the 1953 Supplement thereto or any other statute prescribing compensation for county officers, deputies, assistants or employees nor shall it repeal any law except those specifically repealed by such act, those being Sections 28-157 (a), 28-157 (b), 28-157 (c) or 28-157 (d), of the 1953 supplement to the General Statutes of Kansas, 1949.

The Board of County Commissioners find and determine that this Resolution is necessary in order to meet the cost of living increases experienced within Douglas County, Kansas, such increases having been previously granted by former Resolutions and being vitalized by this Resolution and being necessitated by the repeal of the statutes under which the previous
