

RESOLUTION

WHEREAS, the Board of County Commissioners of Douglas County, Kansas, has met at a regular session this 6th day of June, 1959, with the following Commissioners being present: Walter Kampschroeder, Chairman; Elmer W. Ousdahl, Member; and Will H. Hayden, member, and;

WHEREAS, a petition has been presented to the Board of County Commissioners of Douglas County, Kansas, signed by the owners of .5889 per cent of the acreage of the following described land:

Beginning at the point of intersection between the north boundary of Section 7, Township 13, Range 20, and the east property line of the Atchison, Topeka and Santa Fe Railroad, thence south approximately 487 feet thence east approximately 612 feet, thence south approximately 1219 feet, thence east approximately 1649 feet, thence North approximately 393 feet, thence east approximately 1669 feet to the east boundary of Northwest 1/4 of Section 8, Township 13, Range 20, thence north approximately 2660 feet, thence west approximately 2666 feet, thence north approximately 663 feet, thence west approximately 667 feet, thence north approximately 316 feet to the south boundary line of the William G. Garrett property, thence west to the east property line of the Atchison, Topeka and Santa Fe Railroad, thence south along the east property line of said railroad to the intersection of the north boundary of Section 7, Township 13, Range 20, thence west along said boundary line to the point of beginning.

petitioning said Board of County Commissioners to create a taxing and sewer district as provided in G.S.Kansas, 19-2704-2715 and amendments thereto, and;

WHEREAS, the Board of County Commissioners deem it advisable to employ engineers to make a preliminary survey of the above described property sought to be sewered, to determine the approximate boundary lines of limits of such sewer district, the feasibility of the proposed improvement, the approximate size or sizes of sewers and disposal plant required, and approximate costs of such improvements when completed;

NOW, THEREFORE, BE IT RESOLVED, by the Board of County Commissioners of Douglas County, Kansas, that a contract be made with an engineering firm to make a preliminary survey of the above described property sought to be sewered, to determine the approximate boundary lines or limits of such sewer district, the feasibility of the proposed improvement, the approximate size of sewers and disposal plant required, and the approximate cost of such improvements when completed.

THE BOARD OF COUNTY COMMISSIONERS
OF DOUGLAS COUNTY, KANSAS.
