No further business, the Board adjourned to meet on Monday, January 23, 1961.

ATTEST:

D. E. Mathia
D. E. Mathia, County Clerk.

Walter Kampschroeder
Walter Kampschroeder, Chairman, Board of
County Commissioners, Douglas County.

January 23, 1961

The Board of County Commissioners of Douglas County met in regular adjourned session with all members of the Board present.

Casey Rice, County Engineer, was present to discuss with the Commissioners the agreement to purchase tires and tubes for the Road and Bridge Department for 1961. Agreement follows:

"Please consider this letter as our agreement to supply Douglas County, Kansas, with its requirements of Good-year Tires and Tubes for the contract period effective January 1, 1961 through December 31, 1961.

Tires and tubes will be furnished as required at the prices indicated in Goodyear Confidential Net State Tire and Tube Price list in effect January 1, 1961. These prices are guaranteed against increase for the entire contract period, with Douglas County to receive the benefit of any decrease in Good-year Published Net State Prices which may occur during the contract period. Terms of payment will be net 30 days." /s/ Hatfield-Jackson Oil Co., By O. Hatfield.

It was moved by Mr. Ousdahl, seconded by Mr. Booth, and passed unanimously that the policy on "Sick Leave" remain as is.

Mrs. Scales, Superintendent of the County Convalescent Home, visited with the Board pertaining to Convalescent Hospital problems.

Mr. and Mrs. Art Broyles from California and Mr. Hackathorn of Lecompton met with the Board to discuss leasing the new Convalescent Home.

The following men from Marion and Clinton Townships met with the Commissioners to ask to have black-top on Clinton road to County line now a second grade rock road, to improve road conditions: Floyd Gaines, J. E. Goodyear, Hyland Maichel,
