MAY 20, 1966

SPECIAL MEETING OF DOUGLAS AND JEFFERSON COUNTY COMMISSIONERS

A meeting of the Joint Board of County Commissioners of Jefferson and Douglas Counties was held in the Courthouse at Lawrence, Kansas at 1:30 PM, the following were present:

Jefferson County

Don H. Rice Comm.
Floyd Peters Comm.
August Hall Comm.
Lennie McElroy Eng'g.

Douglas County

Elmer Garfield Comm.
Harvey South Comm.
Willard Ruppelberger Comm.
L. B. Rice Eng'g.

and John V. Francis of Finney & Tansigood Consulting Engineers, Topeka, Kansas.

Mr. Francis explained the preliminary drawings and estimates as submitted to the combined Board as prepared in accordance with the Agreement dated March 28, 1966. Some discussion about the proposed alignments "A" and "B" followed.

Action was made by August Hall and seconded by Harvey South that Jefferson and Douglas Counties proceed with the Plans for construction of a bridge over the Kansas River at Lexington, Kansas. Motion passed unanimously.

Motion by Willard Ruppelberger and seconded by Don Rice that Finney & Tansigood Consulting Engineers proceed with Plan "A" as submitted, including a small section of Road alignment on the Douglas County side of the river. Motion carried unanimously.

Motion by Harvey South and seconded by Don Rice that Finney & Tansigood proceed to complete the revised preliminary cost estimate as provided in Agreement of March 28, 1966 including necessary geologic study for the construction of a bridge at Lexington, Kansas and also submit a Final Agreement for the preparation of completed Plans for construction of the bridge. Motion carried unanimously.
