The Board of County Commissioners of Douglas County met in regular adjourned session, with all members of the Board being present.

Approved the minutes of the meeting of September 1, 1967.

Mr. & Mrs. Max Kennedy appeared with their Attorney, Mr. Eugene Riling, to discuss the opening of a roadway in Willow Springs Township. Hearing is a continuance of a hearing held August 2, 1967. The members of the Willow Springs Township Board were present and represented by their Attorney, Forrest Jackson.

Mr. Riling presented a letter from the Wakarusa Watershed Joint District No. 35, signed by Hugh Moore, President, in which the Watershed would agree to consider the possible participation in the cost of the above mentioned roadway. Mr. Jackson advised that in order to construct this road it would be necessary for a part of the road to cross on a private easement owned by a Mrs. Jennings. Suggested that it would be much more economical to provide access to the Kennedy tract from the west.
