THE WORLD CO., LAWRENCE, KANSAS 66044-2-67

CIVIL
Defense

The Board requests the Civil Defense Director to work with the Sheriff to immediately contact someone who could submit a quotation on supplying an alarm system that the County Could consider installing in the "dead" areas.

Civil Defense Director is to check with the City Manager and see if there are any City funds, or if there has ever been any question of setting up a local Council of Defense, and to see what kind of cooperation the County could anticipate from the City of Lawrence.

The County Attorney is to give the Board a legal opinion as to how much responsibility the County should bear, and to clarify the County's position; Also, to define the responsibilities the Cities within the County should have.

The Civil Defense Director is to prepare a map showing the present warning devices the County has and as closely as possible to show the radius or area where the device can be heard.

The Civil Defense Director is to report back to the Commission on Friday, April 26.
