 DOUGLAS COUNTY

Mr. L. D. Rice, P. E.  
 County Engineer  
 Lawrence, Kansas 66044

Dear Mr. Rice:

With the greater emphasis that is now being placed on highway safety and on the use of appropriate guard fence, it has been deemed the responsibility of the sponsoring highway agency to install and maintain appropriate guard fence at new installations of automatic signals. Attached are four (4) copies of a proposed county resolution covering the placement of guard fence on the above numbered project. If this is found acceptable to the County, it should be signed by the appropriate officials of the County and three copies returned to this office at your earliest opportunity.

Very truly yours,

W. E. ALLISON, P. E.  
 Engineer of Secondary Roads
