...ing been received by the Board of County Commissioners and the hearing on the petition having been set for June 1, 1969, the matter comes up for discussion. It was moved and seconded by Mr. Ice that since no one appeared in opposition to the petition and the Board being satisfied from the proof of publication that legal notice has been given and that no private rights will be injured or damaged by such vacation and that the public will suffer no loss or inconvenience thereby; the Board, therefore, orders that such vacation be made and that any lands so vacated shall be listed for future taxation. The County Clerk shall certify a copy of this order to the Register of Deeds for recording.

It was moved by Mr. Ice and seconded by Mr. Heck that the County Engineer be authorized to purchase 1500 feet of 3 inch pipe from the S-G Metals Industries, Inc., Kansas City, Kansas, at the rate of 77.24 per 100 feet delivered to our building site near Lawrence, Kansas. Pipe to be used on the Secondary Road Project #FAS 23-S-488(2).

It was moved by Mr. Ice and seconded by Mr. Heck that Resolution #69-13 be adopted as of the 27 day of June. Resolution provides for the Douglas County Assessor to receive an annual salary of \$8,300 effective July 1, 1969. Resolution shall be published by the County Clerk as required by KSA 1968 Supplement 19-424. Motion carried unanimously.

It was moved by Mr. Heck and seconded by Mr. Ice that Resolution #69-14 be adopted and that publication by the County Clerk shall be ordered as provided by statutes. Motion carried unanimously. See Resolution on file in the office of the County Clerk.

The Board received the financial statement from the Douglas County Public Health Committee for the period ending May 31, 1969.

No further business, the Board adjourned to meet on June 30, 1969.

June 30, 1969

The Board of County Commissioners of Douglas County met in regular adjourned session with all members of the Board being present.

Approved the minutes of the meeting of June 27, 1969.

The County Engineer reported to the Board the loss of an approach on Bridge #10.50-1.03 on Road #601 in Clinton Township, further identified as the Hallmark Bridge. It was moved by Mr. Heck and seconded by Mr. Ice that the Engineer be instructed to remove the damaged portion immediately and to proceed with replacement of the approach as soon as possible.

It was moved by Mr. Ice and seconded by Mr. Heck that purchase of carpeting for the District Judge's chambers be approved. Carpet to be furnished by the Bud Jennings Carpet and Draperies, Inc. Total price to be \$405.00 installed. Motion carried unanimously.

It was moved by Mr. Ice that the engineer be instructed to proceed at once to replace the center bent of the wooden bridge from the township road into the Haley property in Section 9, Range 19, Township 13. Repairs are to be made to provide a crossing equivalent to what was there previous to the flooding. Motion was seconded by Mr. Heck and carried unanimously.

Don Palmateer and Bob McIntyre of the Soil Conservation District appeared before the Board to submit their proposed budget for the year 1970. No action taken.

The Board received the annual census report as compiled by the Douglas County Assessor showing a total county side census of 45,324 persons which constitutes an increase of 1,737 within the County over the 1968 census.
