Proposals on Judicial Building

The Board reviewed the two proposals of Don Robertson and Dick Peters, architects, for the new Judicial Building. After discussion, the architects were instructed to proceed with Scheme "B" of the general layout of the building and were requested to prepare floor plans and site plans in large details for submission to affected county officers and city officials. Also, they were instructed to develop a delineation to be placed in the office of the County Commissioners for public display. It is anticipated that in about two weeks the final enlarged plans will be available for use in the county offices and the delineation in possibly a month or six weeks.

Mr. Russell Hays of Baldwin appeared before the Board to discuss the lack of maintenance of the County Park east of Baldwin on U.S. Highway 56. The Board assured Mr. Hays that immediate steps would be taken to secure information as to the proper methods of preserving and protecting the native grasses and flowers.

The Board received the minutes of the Lawrence-Douglas County Board of Health Meeting of October 13, 1969.

The Board received a letter from D. Clinton concerning the possibility of the establishment of a County-wide sanitary code and the appointment of a reservoir sanitation officer.

No further business, the Board adjourned to meet on October 22, 1969.
