

Term, 19

day of

19

THE WORLD CO., LAWRENCE, KANSAS 66078-2-67

*31st Street  
plans*

proposed appeared to provide a feasible and adequate roadway. The signatures of all viewers were made a part of the complete set of plans and made a part of the file in the office of the County Engineer.

*Legal publi-  
cation for  
31st Street  
Construction*

County Engineer Rice appeared before the Board to present the Board a proposed notice to contractors which he had prepared. This notice would bring attention to contractors of the intention of Douglas County to construct a roadway on 31st Street, from Louisiana St. to Haskell Ave., to be known as road #699. The notice will request interested parties to bid on this project and will inform interested parties as to manner of procedure in order to place bids on the project. It is proposed that this notice be legally published on July 23rd and August 6, 1971, and a notice will specify that the bids will be opened August 11th, at 10:00 a.m. It was moved by Mr. Cragan, seconded by Mr. Ice that we instruct the County Engineer to proceed with publication of the described notice. Motion carried unanimously.

*County allows  
\$2 per day;  
detained  
juveniles*

The Board further discussed a request received recently from the City of Lawrence requesting the County to assume the responsibility for the cost of detained juveniles cared for by the City. After reviewing discussion concerning this matter with the County Counselor, it was moved by Mr. Ice, seconded by Mr. Cragan that beginning July 1, 1971, Douglas County will allow the City of Lawrence the statutory rate of \$2.00 per day for the care of detained juveniles in the City Facilities. Motion carried unanimously.

*City to bill  
for services*

It was further agreed to advise the City of Lawrence that they should bill for such services monthly, and that said billing should be remitted to the office of the Douglas County Sheriff. It will be expected that the Sheriff's office will review such billing, present same to the Juvenile Court for review and then present to the Commissioners for payment approval.

No further business, the Board adjourned to meet on Wednesday, July 21, 1971.

July 21, 1971

The Board of County Commissioners of Douglas County met in regular adjourned session with all members of the Board present.

Approved the minutes of the meeting of July 19, 1971.

*City and  
Twp. census  
figures*

Co. Assessor Darwin Rogers appeared before the Board and presented the Board with a copy of the 1971 Douglas County census enumeration. The enumeration shows Douglas County having 54,420 persons listed in 1971. This figure compares with the 1970 census figure of 57,932 which is a reduction in 1971 of 3,512. However, it should be recorded that the 1970 census was by Federal regulations and that the 1971 census reverts back to regulations as set out by the U.S. Board of Agriculture. The County population is made up of the various City and Township figures as follows:

Lawrence City	42,152	Kanwaka Twp.	653
Baldwin City	1,929	Lecompton Twp.	580
Eudora City	2,152	Marion Twp.	560
Lecompton City	483	Palmyra Twp.	1,436
Eudora Twp.	746	Wakarusa Twp.	2,079
Clinton Twp.	440	Willow Spgs. Twp.	749
Grant Twp.	461	Total	54,420

*Wakarusa  
Twp. road  
problem  
discussed*

Mr. Evan Griffith, Trustee of Wakarusa Twp., appeared before the Board in the presence of Engineers Rice and Sanderson and discussed various problems facing their Board in the improvement of a Township road which provides access to Western Hills Subdivision. After considerable discussion relative to these problems, it was agreed by those present that if it were indicated by the Wakarusa Twp. Board that this road was being brought up to standards including a blacktop surface, that Douglas County would provide a necessary drainage structure through this road.

*Res. #71-12  
adopted;  
performance  
bond require-  
ments*

Engr. Sanderson appeared before the Board to discuss with the Board a proposed Resolution which would set out regulations, procedures and requirements relative to performance bonds required to insure proper roadway construction within subdivisions. After due discussion it was moved by Mr. Ice, seconded by Mr. Cragan that Res. #71-12 be hereby adopted, which sets out the above mentioned requirements. Motion carried unanimously.

*Memo re.  
performance  
bond*

Relative to the adoption of Res. #71-12, a Memo has been prepared by Engr. Sanderson, which will be presented to the County Zoning Administrator, County Engineer and City-County Planner bringing to their attention the requirement of a performance bond under certain circumstances. The Memo was signed by the Board and will be forwarded to the above mentioned.

*Letter re.  
31st Street*

Board noted receipt of copy of a letter to Mayor Pulliam of Lawrence, signed by Mr. Jack Rose, Mr. Leonard Hoover and Mr. George Williams, who represented the City of Lawrence as viewers in connection with the 31st Street project. The letter indicated the location of the road to be satisfactory and in the best interests of the City of Lawrence.

*Budget  
discussed  
possible levy  
mental retar-  
dation*

Budget Director Darlene Hill, appeared before the Board to discuss various matters of the upcoming budget. A principal point of discussion concerned problems relative to the possible establishment of a levy for mental retardation. It was agreed that a further conference should be held involving among others, the Board of Commissioners, Budget Director, Darlene Hill, Counselor Dan Young and Mr. Gary Condra, Director of Cottonwood, Inc. This conference is tentatively scheduled for Friday morning, July 23rd.

No further business, the Board adjourned to meet on Friday, July 23, 1971.
