Jane Murphy, representing the Douglas County Legal Aid Society, appeared before the Board relative to the filing of a poverty affidavit by a client. After due discussion on the problem at hand, the Board advised Jane Murphy that the status would be followed in the case of filing an affidavit and we further would rely upon an opinion issued by the Attorney General's office relative to the filing with the County Treasurer of a poverty affidavit. The Board agreed that with the filing of a poverty affidavit that the Board would intend to institute proper procedures to determine the circumstances necessitating the filing of such affidavit.

The Board having received a valid petition to establish a road, said road to be an extension of County Road No. 699 west to its intersection with U. S. Highway No. 59, and said road to be known as County Road 699B, did meet at 1:30 p.m. as a Board of Viewers with a duly appointed Board of Viewers representing the City of Lawrence as set forth in K.S.A. 68-109, said viewing to determine the width of road and right-of-way therefor. The Boards of Viewers did determine that specifications as set out in document referred to as plans and specifications for 31st Street improvements, part 2, were satisfactory and agreeable and signatures of all viewers were attached thereto. The aforementioned document referred to as plans and specifications for 31st Street improvements, part 2, with viewers signatures affixed thereto is on file in the office of Douglas County Engineer.
