Mr. Skeet will have the responsibility of signing in and directing the workers each morning. Mr. Derrick presented the Board agreements to be implemented between the Douglas County Board of Social Welfare and the State Department of Social Welfare relative to the operation of the welfare work program. The Board attached signatures to these agreements. The Board agreed that workmen's compensation relative to the welfare work program would be paid from the county general fund.

their own  
collection  
service*

Mr. Travis Glass, Chairman of the Solid Waste Committee, and Mr. Dave Blackman, Coordinator of the Solid Waste Program, appeared before the Board to discuss proposals and recommendations of the committee. Mr. Blackman indicated that he is visiting with the state board relative to these proposals and recommendations and that it is his hope to gain concurrence by all who must approve their recommendation prior to final publication.
