Planning Director McClanathan and Zoning Administrator Kellum appeared before the Board to discuss planning items which come to the Board from the Planning Commission relative to the Planning Commission meeting of November 29, 1972. The first item presented by Mr. McClanathan was that of the final plat of Sandyland Subdivision. This is a plat of 8.09 acres generally located approximately 1/4 mile north of Grant Township Road No. 23 on the east side of U. S. Highway No. 24-59. This final plat was approved by the Planning Commission and the commission recommends that this Board accept the dedications relative to the final plat.
