Mr. McClanathan then presented to the Board Item No. 9 of the Lawrence-Douglas County Planning Commission minutes of July 25, 1973, which was a request by J H & J Rock Company, Inc., on property owned by Elmer Zeeb, for a Conditional Use Permit to allow the operation of a rock quarry, generally located upon a 143 acre tract, along the east and west sides of Douglas County Road No. 1025, three-fourths mile south of U.S. Highway No. 40. It was moved by Mr. Heck that inasmuch as this Board now has an informal request from the applicant for withdrawal of request for a Conditional Use Permit, that this Board approve the applicant's withdraw request with a part of this motion being a stipulation that this Board expresses intent not to consider within one year's time any Conditional Use Permit request by this applicant for a rock quarry operation which would include a substantial part of that area described in CUP-5-3-73.
