LOCKWOOD CO., INC. REORDER NO. 126188-6-72

Clinton Lake
Deletion of
Road Relocation
7

The Board noted receipt of a letter from the Kansas City District, Corps of Engineers, which relates to Contract No. DACW41-73-C-0067 for relocation of Douglas County roads as part of the Clinton Lake project. The communication relates that a modification would call for deletion of Road Relocation 7. The communication further relates that this deletion is proper because the original owners of land needing access has transferred that property to Mrs. Danna Lou Lee, owner of adjacent property which property has public access and does not require Road Relocation 7. The Board confirmed by telephone conversation this fact with Mrs. Lee. The Board agreed that a letter should be forwarded to the Kansas City District, Corps of Engineers, indicating Board concurrence with the deletion of Road Relocation 7.

County Records
Discussion of
transfer of old
county records
to Spencer
Library

George Griffin, KU Curator of Kansas Collections, visited with the Board along with the following County officers: Edythe Norman, Treasurer; Sherlyn Sampson, Clerk of Court; Delbert Mathia, Clerk; Mike Elwell, Probate Judge; and Sue Neustifter, Register of Deeds, and County Counselor Dan Young. Following complete discussion of the matter of the transfer of certain aged County records to Spencer Library for preservation reasons, it was agreed that each officer would give serious consideration to statutory requirements relative to certain records of their offices, and further that in the immediate future Mr. Griffin would visit with each officer in an effort to determine what records the individual officers felt could be preserved outside the courthouse, and also which records he felt the library would be interested in.
