Discussion
future funding
by Co. Com-
prehensive
plan develop.*

Planning Director Dick McClanathan, Planning Consultant Ron Jones, and Ernest Coleman, federal funds consultant, discussed with the Board future funding of the Douglas County Comprehensive Plan Development. Mr. McClanathan indicated to the Board that future contracts to cover the comprehensive plan development should be between the consultant, the planning commission, and the Board of Commissioners as there will be no state money available in the near future for this purpose. Following discussion the Board indicated that inasmuch as it would appear that revenue sharing funds in the amount of \$4850 could be made available to supplement county budgeted funds of \$5250 that they would indicate positive response to approving phase II contract for the work to be accomplished from July 26 thru December 31, 1976. It was agreed by Mr. Jones and Mr. McClanathan that the proposed contract should be presented to the planning commission for discussion and approval.
