Maichel Well.
app purch.
storage tank.

Ken Markley, construction superintendent of the public works department, reported to the Board relative to his inspection of the Maichel Well. Mr. Markley indicated that all equipment in place was in good working order and that the contract with Mr. Maichel for operation of the well evidently was working out satisfactorily. Mr. Markley indicated his concurrence with the landowners who had visited with the Board earlier in the week that a storage tank needed to be installed to provide an adequate supply of water for area residents. Mr. Markley presented the Board two quotes which he had obtained for the purchase of such a tank. These quotes being as follows: Westheffer Company, 2500 gallon tank, at \$1035 and Topeka Pump Company, 3000 gallon tank, at \$725. After giving consideration to the types of tanks quoted and the use for which the tank was to be purchased, it was moved by Mr. Whitenight that we accept the quote of Topeka Pump Company which was for a 3000 gallon tank at a cost of \$725, f.o.b., Hopkins, Missouri, seconded by Mr. Heck, and carried.
