

G.C.C.A. app.  
Change amount  
of funding

Susan Zuther, director of volunteers in court, appeared before the Board to present a change in the amount of local match that is required for the GCCA grant which funds in part the operation of the office of volunteers in court in Douglas County. This change is brought about due to a revision of the assumption of cost policy at GCCA which lowers the federal share of funding on this particular project as well as lowers somewhat the state funding. The original submission for the grant to GCCA indicated a commitment of local funds in the amount of \$14,962. The addition that is required due to this change in policy will be \$3,021.56 of local funds which brings the figures for the project to stand as follows:

Total net cost of the project	\$25,887.00
Federal funds	7,487.47
State funds	415.97
Local funds	17,983.56

As an attachment to the documentation on this change let it be noted that the change is recommended to the Board of County Commissioners of Douglas County by the administrative judge of the Seventh Judicial District Frank R. Gray. After complete review of this recommendation which requires additional local funds in the amount of \$3,021.56 which will be funded from the unified courts budget, it was moved by Mrs. Bradley that this change be approved, seconded by Mr. Neis, and carried unanimously.

The committee for preparation of the dedication ceremonies for the judicial and law enforcement building met at noon on this date and during that meeting made specific plans for the structure of the program for that ceremony. It was reported that the invitation which had been extended to Senator James Pearson to appear as principal speaker has been accepted by his office and consequently the date of 11 June 1977 at 10:00 a.m. was set for the conduct of these ceremonies. In addition, this committee voted unanimously to request Arthur A. Heck to make the dedicatory remarks for the judicial and law enforcement building. After review of this report the selection of Mr. Heck to present these dedicatory remarks was unanimously confirmed by the Board of Commissioners.
