Utility easement
#23-RS-1347(7)
SW. Bell Tel.

Tom McGee, engineering division manager, appeared before the Board to present a utility agreement on Project No. 23-RS-1347(7) between Southwestern Bell Telephone Company and the Board of Commissioners of Douglas County which agreement relates to provisions of K.S.A. 17-1901 as to the necessity for movement of utility equipment and facilities which are located on county right-of-way. The agreement indicates that relocation of existing facilities which are currently located on private easement will be paid for by Douglas County and that those facilities within county right-of-way will be moved at utility company expense, and that the construction or alterations of the company's facilities shall be completed within thirty days after the county furnishes to the company the required information. After review of this agreement, it was moved by Mrs. Bradley that this utility agreement be approved, seconded by Mr. Whitenight, and carried.

Oklahoma Gas Co.
#123 AH/2 1593(2)

The Board reviewed a utility agreement between Cities Service Gas Company of Oklahoma City, Oklahoma; the Board of Commissioners of Douglas County, Kansas; and the Secretary of Transportation of the State of Kansas on Project 23 AHL 1593 (2), otherwise known as Clinton Parkway. The agreement indicates that work to be done in moving the Cities Service Gas Company line which crosses Clinton Parkway in the approximate area between Highway Stations 30 and 35 as shown on the project plans will be done by contract with the estimated total cost of the work to be accomplished in the amount of \$37,517, of which it is projected 100% will be paid by the county. The work to be performed includes the installation of approximately 940 linear feet of .281 wall Grade B 16" carrier line and to reclaim approximately 713 linear feet of .250 wall 16" carrier line. The utility estimates its work can be completed in a thirty day period. After a complete review of the terms of this utility agreement it was moved by Mrs. Bradley that it be approved and forwarded to the Secretary of Transportation for his review and approval, seconded by Mr. Whitenight, and carried.

Plann. Comm: app.
Earthmover's
Subdivision

At the hour of 10:00 a.m., the Board discussed planning items with members of the planning staff. The Board considered Item No. 7, Earthmover's Subdivision, from the Planning Commission minutes of 28 June 1978 which is presented as a final plat of a subdivision, one lot, for a proposed builders or contractors yard containing approximately 6.87 acres, generally described as being located southeast of the intersection of Highways 59 and 24-40. The item comes to this Board for a recommendation of approval on a 7-1 vote from the Planning Commission, subject to four conditions as follows:

- (1) That a temporary utility agreement be executed;
- (2) That the applicant's engineer certify to the Planning Office that all lots have been pinned, or that a performance bond be submitted to the Planning Office to guarantee pinning;
- (3) That the easement requested by Kansas Power & Light Company be granted; a 15' easement be placed on all interior lines; and,
