CDBG:  
Audit funds,  
1975-1978

The Board noted receipt of correspondence from Thomas S. Kilbride, area manager of the Department of Housing and Urban Development. The subject of this correspondence is a response to the Audit of CDBG Funds for Douglas County for the period August 27, 1975 to June 12, 1978. The letter responds to the findings made on the audit report as follows:

Finding 1 - Conditional Funds "Drawn Down" and Spent Before Written HUD Authorization Was Obtained.

The HUD letter indicates that these administrative costs are eligible program expenditures and this is considered resolved.

Finding 2 - Rehabilitation Loans and Grants.

According to the auditor, a rehabilitation contractor was overpaid in the amount of \$90. It has been determined by HUD that this is an ineligible amount and must be refunded to the CDBG program within thirty days from the date of this letter and that the area office should be promptly notified when the amount has been repaid.
