Amend offer on  
Tract #3 Foster

The Board reviewed the Statement of Basis for Offer on Project No. FAS 23-RS-1347(7) relating to Tract No. 3 which is owned by Jim D. Foster and Donna F. Foster. Accept bid for  
truck, Turner  
Chev.

Bob Duver, director of the noxious weed department, appeared before the Board to recommend the acceptance of the bid from Turner Chevrolet in the amount of \$8489 for the purchase of a one-ton truck for use in the weed department. Because of the exceptions filed to the specifications by the apparent low bidder, Jim Clark Motors, and the fact that these exceptions to the specifications are materials in terms of value of this one-ton truck, it comes forward with the recommendation to accept the second low bid which meets substantially all the specifications as published. After discussion it was moved by Mr. Neis that the recommendation to accept the bid of Turner Chevrolet in the amount of \$8489 be approved by the Board, seconded by Mrs. Bradley, and carried unanimously.
