The cost of the alterations, if any, shall be paid for by United Telephone Company. After discussion it was moved by Mr. Cragan that this Agreement be approved, seconded by Mr. Neis, and carried.

Zoning:
Private road
L. Olmstead

Wayne Kellum, zoning administrator, and Leroy Olmstead appeared before the Board to request approval of a private road for ingress and egress to a tract of land which consists of one acre where plans have been made to construct a church building. After discussion it was determined that Mr. Olmstead does not own all of the property needed for the private road. It was agreed that before this private road request can be approved, Mr. Olmstead needs to purchase the required property and then have it recorded with the Register of Deeds office.

No further business, the Board adjourned to meet on Wednesday, May 6, 1981.

Boles, in the position of Key Entry Operator B (KE3), at the rate of \$4 per hour, effective May 11, 1981. After discussion it was moved by Mr. Cragan that this recommendation be approved, seconded by Mr. Neis, and carried.

Ambulance:
Report on invest.
of Bldg.

Walt Hicks, local architect, and Ted McFarlane, Douglas County Ambulance Service Manager, appeared before the Board and Mr. Hicks gave a brief report of his investigation of the building at 1839 Massachusetts, which currently houses the Douglas County Ambulance Service. Mr. Hicks stated that the building is structurally sound enough to justify renovating the building. Mr. Hicks also stated that if the county goes ahead with renovation, he recommended adding a new roof and putting in insulation, installing more energy-efficient windows, new heating and air-conditioning systems, repointing and sealing exterior walls and plumbing and electrical revisions.

Ambulance:
Discuss bldg
at hospital

Robert Ohlen, Lawrence Memorial Hospital administrator, and Dick Holzmeister, Lawrence Memorial Hospital board chairman, appeared before the Board and stated that the hospital board is interested in the county's idea to building an ambulance station on hospital grounds. Proposed locations included a site south of the hospital near the emergency room in the old hospital building, the northeast corner of Arkansas Street and the access road north of the hospital, and a site to the north and slightly east of the current emergency room where a 30-foot wide strip of grass runs from the hospital north to the access road. Mr. McFarlane favored the site nearest the cur-
