Mr. Dooley then presented the Board the following contracts for right-of-way for Project No. 23C-1297-01, Formerly 23RS-1528(4):

(1) Between the Board of Commissioners of Douglas County and Cecil B. Green and Sara J. Green, husband and wife, for 0.604 acres of right-of-way easement and 29 rods of barb fence, in the lump sum of \$2000. This lump sum payment includes allowance for irregularity of fencing, irregularity of boundary and abstracting.

(2) Between the Board of Commissioners of Douglas County and Elmer H. Smith and Elnora T. Smith, husband and wife, for 3.951 acres of right-of-way easement, 1.194 acres of temporary easement for construction, 90 rods of barb fence, and approximately 41 rods of temporary fencing, in the lump sum of \$5400. This lump sum payment includes allowance for irregularity of fencing and gate posts, irregularity of boundary and abstracting.

(3) Between the Board of Commissioners of Douglas County and James C. Green and Margaret M. Green, husband and wife, for 0.26 acres of right-of-way easement and 26 rods of barb fence, in the lump sum of \$950. This lump sum payment includes allowance for irregularity of fencing, irregularity of boundary, and abstracting.

After review of these agreements it was moved by Mr. Cragan that they be approved, seconded by Mrs. Bradley, and carried unanimously.

Pub. Works:
Purch 1965
tanker-trailer

Mr. Dooley then recommended that the Board approve the purchase of a 1965 Etnyre steel tanker-trailer, 6500 gallon capacity, from Vim Trailer Mfg., Inc., Wichita, Kansas, at a price of \$5700 for use at the public works shop. After discussion it was moved by Mr. Cragan that this recommendation be approved, seconded by Mrs. Bradley, and carried unanimously.

Purch paint

Mr. Dooley then recommended that the Board approve the purchase of paint supplies from the Kansas Correctional Industries, Lansing, Kansas, for marking roads under federal aid project 23C 0344-01. Cost of these supplies is \$6629.25, all of which is 100% reimbursable. By purchasing from Kansas Correctional Industries, the materials may be accepted on certification and no delay or fee for inspection will be incurred. After discussion it was moved by Mrs. Bradley that this recommendation be approved, seconded by Mr. Cragan, and carried unanimously.

Mr. Dooley then presented the Board an Application from Continental Telephone of Kansas seeking authority to bury telephone facilities along and across county right-of-way, Road 1061, Section 16, Township 15S, Range 21E, in Douglas County, Kansas. This Application has been reviewed by the public works department and its approval is recommended to the Board by Mr. Dooley. After discussion it was moved by Mrs. Bradley that it be approved, seconded by Mr. Cragan, and carried unanimously.

Pub. Works:
Donation R/W
Thoren

Mr. Dooley then presented the Board a Donation of Right-of-Way and Temporary Easement on Project No. J. V. Bridge No. 9.41N-21.00E (Road No. 45). The Board notes receipt of a letter from Howard H. Thoren and Jane E. Thoren, husband and wife, which letter indicates that these individuals were fully informed and advised of their rights to receive just compensation for the acquisition of a portion of their property for the construction of the above noted project. The letter further acknowledges that because of the benefits to be derived from this highway improvement project, that they will waive all rights for compensation and will donate the necessary land to the county. Attached to this letter is a formal temporary easement for right-of-way for highway purposes executed by those named persons on the following described tract: Beginning at a point 2113.00 feet North of the Southeast corner of the Southeast Quarter (S.E. 1/4) of Section 31, Township 13 South, Range 21 East of the Sixth Principal Meridian, Douglas County, Kansas, said point being on the East line of said Quarter Section; thence West at right angles to said East line a distance of 45.00 feet; thence North parallel with the East line of said Quarter Section a distance of 100.00 feet; thence East a distance of 45.00 feet to a point on the East line of said Quarter Section; thence South on the East line of said Quarter Section a distance 100.00 feet to the point of beginning. The above contains 0.034 acres, more or less, exclusive of existing highway. This temporary easement shall terminate immediately upon completion of the above stated project.
