

And the said part 1st of the first part expressly agree to pay the said note and the interest thereon monthly in such manner as herein set out, and to pay all taxes and assessments against said premises when they become due and payable; that when any taxes or assessments shall be made upon said loan, or upon said party of the second part herein, on account of said loan, either by the State of Kansas or by the county or town wherein said premises are situated, the party of the first part will pay such taxes or assessments when the same become due and payable; and that it is the duty of the party of the second part herein to keep the buildings upon the above described real estate insured in such forms as may be required by the party of the second part, in some solvent incorporated insurance company or companies approved by the said party of the second part, for a sum satisfactory to the party of the second part, or assign, or assigns, so long as the debt above secured shall remain unpaid, and to keep the policy or policies of insurance payable to the party of the second part herein, or assigns, and to keep the same policy or policies in the party of the second part, or assigns, as collateral security for the debt hereby secured. The said part 1st of the first part further agree to keep the buildings and other improvements on the said premises in as good condition and repair as they are at this date, and shall not permit nor suffer any waste to be made on the property, or any part thereof, and any violation of this covenant shall, at the option of the party of the second part, render the whole of said principal sum and interest due and payable immediately.

And it is further provided and agreed by and between said parties hereto that if default shall be made in any payment of principal sum or interest thereon, or any part thereof when due; or if the taxes on said premises are not fully paid when the same shall become delinquent; or upon failure on the part of the part 1st of the first part to pay the taxes or assessments upon the loan secured by this mortgage or the holder thereof, or insurance premiums as hereinbefore mentioned, or to deliver policy or policies of insurance as above required; then in such case, the whole of said principal sum and interest thereon shall, at the option of said second party, or assigns, become due and payable and this condition may be enforced at any time after such default; but the omission of the party of the second part, or assigns, to exercise this option at any time or times shall not preclude said party of the second part from the exercise thereof at any subsequent default or defaults of said first part 1st in payment as aforesaid; and it shall not be necessary for said party of the second part, or assigns, to give written notice of its or their intention to exercise said option at any time or times, such notice being hereby expressly waived by said part 1st of the first part.

It is further provided that said party of the second part, or assigns, may at its or their option pay said taxes, assessments and insurance premiums on the failure of the part 1st of the first part to pay the same as above mentioned, and the money so paid, with interest thereon at the rate of ten (10) per cent per annum from date of payment shall be a part of the debt secured and collectible under this mortgage; and the said party of the second part, or assigns, shall, at its or their option, be entitled to be subrogated to any lien, claim or demand paid or discharged with the money loaned and advanced by the party of the second part and secured by this mortgage. And the party of the second part, or assigns, may pay and discharge any liens that may exist against above described real estate that may be prior and senior to the lien of this mortgage; and the money so paid shall become a part of the lien of this mortgage and bear interest at the rate of ten (10) per cent per annum.
