SECTION 2.09. All the bonds issued hereunder shall, from time to time, be signed on behalf of the Company by its President or a Vice President and its corporate seal shall be thereunto affixed and attested by its Secretary or an Assistant Secretary. The corporate seal of the Company may be affixed to any bond by printing, engraving, lithographing, stamping or otherwise making, placing, or affixing upon such bond by any process whatever, an impression, facsimile or other reproduction of said corporate seal.

The coupons to be attached to coupon bonds shall bear the facsimile signature of the present or any future Treasurer of the Company, and the Company may adopt and use for that purpose the facsimile signature of any person who shall have been such Treasurer, notwithstanding the fact that he may not have been such Treasurer at the date of any such bond or that he may have ceased to be such Treasurer at the time when any such bond shall be actually authenticated and delivered.

In case any of the officers who shall have signed and sealed any bonds or attested the seal thereon shall cease to be such officer of the Company before the bonds so signed and sealed shall have been actually authenticated by the Trustee or delivered by the Company, such bonds nevertheless may be executed, authenticated and delivered with the same force and effect as though the person or persons who signed and sealed such bonds had not ceased to be such officer or officers of the Company; and also any bond may be signed and sealed on behalf of the Company by such person as at the actual date of the execution of such bond shall be the proper officer of the Company although at the date of such bond such person shall not have been such officer of the Company.

Before authenticating any coupon bonds the Trustee shall cut off and cancel all matured coupons thereon (except as otherwise provided in Sections 2.05 and 2.11) and shall thereafter cremate the same.

SECTION 2.10. Until definitive bonds are ready for delivery, the Company may execute, and the Trustee shall authenticate and deliver in lieu of any thereof, temporary bonds of any denominations substantially in the form of the bonds hereinbefore described, with or without coupons, and with appropriate omissions, insertions and variations as may be required. Temporary bonds may be issued without the provision entitling the holders to register the bonds or a recital of specific redemption prices, and may contain such reference to any provision of this Indenture as may be appropriate and the text of the temporary bond may express the interest rate of the bonds and the series thereof by reference to the title of the bonds. Until exchanged for definitive bonds, such temporary bonds shall be entitled to the lien and benefit of this Indenture. Such temporary bonds shall be exchangeable for definitive bonds when ready for delivery. Upon such exchange, which the Company shall make without any charge therefor, such temporary bonds shall be cancelled and cremated by the Trustee, and a certificate of such cremation shall be delivered to the Company. Temporary bonds without coupons of any series shall bear interest from the beginning of the current interest period for bonds of that series in which such temporary bonds without coupons shall be authenticated. When and as interest is paid upon temporary bonds without coupons, the fact of such payment shall be noted thereon.

SECTION 2.11. In case any bond outstanding under this Indenture and the coupons thereto appertaining (if any), shall become mutilated or be lost, stolen or destroyed, then, on the terms herein set forth, and not otherwise, the Company may execute, and thereupon the Trustee shall authenticate and deliver, a new bond of like tenor, and having annexed corresponding coupons (if any), in exchange and substitution for, and upon cancellation of, the mutilated bond and coupons, or in lieu of and substitution for the same if lost, stolen or destroyed; or if any such lost, stolen or destroyed bond or coupon
