thousand dollars, issued by said company for the construction and completion of waterworks in and near the city of Lawrence, County of Douglas, State of Kansas, and all issued under and equally secured by a mortgage or deed of trust, dated September first 1886, and made, executed and delivered by said City Water Company of Lawrence, to the American Loan and Trust Company of New York, as Trustee, and duly recorded, which said mortgage conveys to the said Trustee all the franchises, rights and privileges of said City Water Company of Lawrence, as fully set forth in said trust deed or mortgage, and also all real estate, engines, houses, pumps, wells, reservoirs, stand pipes, mains, distributing pipes and other property of every kind and nature whatsoever now owned or hereafter to be acquired by said company, including all rents for by drants and income from water rates and all revenues and emoluments derived and to be derived from said City of Lawrence, from said County of Douglas, and from all other sources whatsoever.

Said mortgage further provides, that all sums received from the City of Lawrence, from the County of Douglas, and from any and all railroads for water supplied, shall, whenever received, be paid over to the Trustee herein named, and shall, by said Trustee, be applied to the payment of interest on said bonds, as it accrues.

This bond shall not be valid or binding without the signature of the said Trustee to the certificate hereon endorsed.

In witness whereof, The City Water Company of Lawrence, Kansas, has cause here presents to be executed by its President, and its Secretary, and its corporate seal to be hereto affixed, the first day of September A.D. 1886.

The City Water Company of Lawrence  
By

President

Secretary
