

3. The Mortgagor further agrees to procure, maintain and pay all premiums for policies of insurance in companies acceptable to the Mortgagor, insuring said mortgaged premises against fire, lightning, windstorm or other casualty and extending coverage in an amount equal to or exceeding the unpaid balance of said obligation. Said policies shall have mortgage clauses attached thereto making loss, if any, payable to said Mortgagor as its interests may appear. In the event of loss, the Mortgagor shall give immediate notice to the Mortgagor and said Mortgagor is hereby authorized to make proof of loss if the same is not promptly made by the Mortgagor. Such insurance companies are authorized to make payments for such loss directly to the Mortgagor and the proceeds of such insurance or any part thereof may be applied by the Mortgagor, at its option, either to the reduction of the indebtedness hereunder or to the restoration or repair of the damaged property. In the event of foreclosures of this mortgage or in the event of transfer of title to the above described mortgaged property in extinguishment of the said indebtedness, all right, title and interest of the mortgagor in and to said insurance policies then in force shall pass to Mortgagor. The Mortgagor agrees to pay a sum equal to one-twelfth of the estimated insurance premiums monthly in advance to the Mortgagor upon the regular monthly payment date to be used by the Mortgagor in paying said premiums. If the fund so created is insufficient to pay said premiums, when due, Mortgagor agrees to pay the difference in cash and if said fund so held by Mortgagor for payment of said premiums when the same become due is in excess of said premiums, the excess shall be credited to the Mortgagor and applied on interest or principal or held for future insurance premiums as the Mortgagor may elect. The waiving of such monthly payments for insurance premiums shall not bar the Mortgagor from later requiring such payments.

4. The Mortgagor agrees that at all times while this mortgage remains in full force and effect, to keep and maintain the buildings, and other improvements located upon the above described real estate in good condition and repair at all times and not to allow waste or permit a nuisance thereon.

5. It is agreed that in the event of the failure of the mortgagor to pay all real estate taxes and assessments when the same are by law due and payable, or in the event of a like failure to keep in force said policies of insurance or to make repairs of said mortgaged premises, said mortgagor may pay said taxes, assessments and insurance and make said repairs and the amounts so expended by Mortgagor shall be a lien on the premises described in this mortgage. Said amount may be recovered with interest at a rate not to exceed ten percent (10%) per annum, and said sums so advanced by mortgagor, may, at the option of said Mortgagor be made a part of the unpaid balance of said note thereby increasing said unpaid balance. Payment of any of said items by said mortgagor shall not be construed as a waiver of that default or of the right of said Mortgagor to foreclose this mortgage because of such default.

6. The Mortgagor agrees to pay all costs, charges and expenses reasonably incurred or paid at any time by said Mortgagor in defending abstract or title insurance expenses because of the failure of Mortgagor to comply with the provisions of said note or of this mortgage and the same shall be secured by this mortgage.

7. The Mortgagor may, by agreement with said Mortgagor, obtain additional advances from Mortgagor for any purpose, whether specified herein or not, and such advances shall become a part of the principal balance herein, and shall be covered by the lien of this mortgage, and shall be repaid in accordance with the terms and provisions of said note and this mortgage.

8. The Mortgagor hereby assigns to the Mortgagor, all rents and income existing at any and all times from the property mortgaged and hereby authorizes the said Mortgagor, at its option, to enter into the possession of and take charge of said property, to collect and receive all rents and incomes therefrom, and apply the same on the interest and principal payments due hereunder, including insurance premiums, tax assessments, repairs or improvements necessary to keep said property in tenable condition, or to other charges provided for in said note or this mortgage, provided said mortgagor is in default under the terms of said note or this mortgage. This rent assignment shall continue in force until all indebtedness represented by said note and this mortgage is fully paid. The taking possession of said property by said mortgagor shall in no manner prevent or retard said Mortgagor in the collection of said indebtedness or in the enforcement of its rights by foreclosure or otherwise.

9. It is agreed and understood that in the event of a default by Mortgagor in any one or more of the conditions, provisions or agreements of said note or of this mortgage, said Mortgagor may, at its option, and without notice, declare the whole amount of the indebtedness under said note and this mortgage to be immediately due and payable, and foreclose this mortgage. In case of any such default, the balance of the indebtedness shall draw interest at the rate of ten per cent per annum from the beginning of said default until paid.

10. The failure of said Mortgagor to assert any of its rights under said note or this mortgage, at any time, shall not be construed as a waiver of its rights to assert the same at a later time, and to insist upon and enforce strict compliance with all the terms and provisions of said note or of this mortgage. Notice of the exercise of any option granted herein to said Mortgagor shall not be required.

11. The mortgagor further agrees that the obligation secured by this mortgage has been in part advanced by mortgagor relying upon the financial responsibility of mortgagor. In the event the real estate covered by this mortgage is conveyed by mortgagor to any person or corporation before the obligation secured by this mortgage has been paid, the mortgagor shall have the right at its option and for any reason it deems to be sufficient, to determine this to be an act of default under the terms of this mortgage, and to declare the whole amount of the remaining obligation secured by this mortgage immediately due and payable, and mortgagor may foreclose this mortgage in such event.

12. The mortgagor further agrees that in the event the real estate covered by this mortgage is conveyed to any person or corporation who assumes and agrees to pay the obligation secured by this mortgage and mortgagor does not elect to accelerate the balance of the remaining obligation secured by this mortgage as specified under paragraph 11 above, mortgagor may charge the assuming grantee a transfer fee of \$25.00. The failure to pay such transfer fee shall constitute a default of this mortgage and mortgagor may at its option declare the whole amount of the indebtedness secured by this mortgage immediately due and payable and foreclose this mortgage in such event.

13. IT IS AGREED THAT the sums received by Mortgagor as evidenced by said promissory note secured by this mortgage, were used by Mortgagor for the payment of all or a portion of the purchase price of the above described mortgaged premises, and that this mortgage is, therefore, a purchase money mortgage under the laws of the State of Kansas.

IN WITNESS WHEREOF, the Mortgagor has executed and delivered this mortgage the day and year first above written.
