The Mortgagors above named are indebted on their Promissory Note above described, payable to the order of the above named Mortgagee and evidencing a loan made by said Mortgagee, in the Principal Amount of Loan stated above. Said Note is payable in monthly payments, and according to the terms thereof, payment may be made in advance in any amount at any time and default in making any monthly payment shall, at the option of the holder of the Note, and without notice and demand, render the entire unpaid balance thereof at once due and payable, less any required refund or credit of charges.

This grant is intended as a Mortgage to secure the payment of any sum advanced at the date hereof, and any sum or sums of money which may be advanced from time to time by Mortgagee upon renewal of said Note or Notes at rates of interest fixed therein, provided however, that the advance of such sums shall be entirely optional with Mortgagee, and provided further that the aggregate amount of such sums so advanced shall not exceed an unpaid Face Amount of \$2600, said aggregate amount to be considered only as the limit of the total Face Amount which may be outstanding at any one time, but which may be advanced and repaid and again advanced with this Mortgage standing as a continuing security until all advances made by virtue hereof are paid in full, with interest as specified.

NOW, THEREFORE, in consideration of said loan AND SUCH ADVANCEMENTS MADE FROM TIME TO TIME, the undersigned Mortgagors hereby grant, bargain, sell and convey to the Mortgagee the real estate and premises now described.

Upon default in making any payment on said Note or Notes when the same becomes due according to the tenor thereof, then the entire sum remaining unpaid on said Note or Notes shall at once become due and payable, and this Mortgage may be foreclosed as provided by law for the purpose of satisfying and paying the entire indebtedness secured hereby.
