IN CONSIDERATION of a loan made by the payee at its above address the undersigned jointly and severally promise to pay to the order of said payee at its above office, and subject to the terms hereof, the face amount of note as stated above, with charges as herein provided. The face amount of note as stated above, which includes the principal amount of loan as stated above and charges at the rate or rates as set forth above, precomputed on scheduled unpaid principal balance to maturity, according to the terms of this contract, is payable in consecutive monthly installments as indicated above, beginning on the due date for the first installment stated above and continuing on the same day of each succeeding month thereafter until fully paid. Payment in advance may be made in any amount. Default in paying any installment shall, at the option of the holder hereof and without notice or demand, render the entire sum remaining unpaid at once due and payable, less any required refund or credit of charges, with the then remaining unpaid principal balance as drawn the highest legal rate of charges. Each installment delinquent for more than 10 days, shall bear one delinquency charge of 5% of the installment of \$2.50, which ever is the lesser, at the option of the holder hereof.

The precomputed charges included in the face amount of note are subject to refund in case of prepayment in full one month or more before the final installment date, as provided by Section 106.7 of the Kansas Consumer Loan Act. If partial prepayment in an amount of one periodic payment or more is made one month or more before the amount so paid is due, the precomputed charges are subject to recomputation as provided in Section 106.7 of the Kansas Consumer Loan Act. Upon default of one or more contract payments, lender at its option may recompute charges on said loan, contract from date of loan by crediting the face amount of note with the entire amount of precomputed charges and by applying each payment made, as of date of payment, first to accrued charges due on the unpaid principal balance at said date, and applying the remainder to the unpaid principal balance, thereafter charges shall be computed on the unpaid principal balance at said date, and applying the remainder to the unpaid principal balance, and any remainder shall be applied to the unpaid principal balance.

Extension of the time of all or any part of the amount owing hereon, or any variation, modification or waiver of any term or condition hereof at any time or times shall not affect the liability of any party hereto or co-maker, endorser, guarantor or surety hereof, it being the intent of all parties to this note that they shall continue jointly and severally, absolutely liable for the payment of the above said indebtedness until the same is actually paid in full. Co-makers, endorsers, guarantors, sureties, and all parties hereto severally waive notice of acceptance, presentment for payment, demand, protest and notice of demand, nonpayment and protest of this note.

INSURANCE AUTHORIZATION. If the insurance policy covering the property mortgaged or insurance ordered by borrower at the time of the making of this loan expires or is cancelled before my promissory note is paid in full, Payee is hereby authorized (but not required) to procure new insurance. Should Payee elect to procure new insurance, Payee agrees to notify Borrower of its election. If Borrower does not pay the premium on the insurance so procured, or when renewed, or if additional insurance is purchased at the request or direction of the Borrower, Payee is authorized to add the premium to his promissory note which shall bear charges at the rate specified therein until paid in full, and be repaying said promissory note. Borrower hereby authorizes and directs his insurance carrier to return to Payee upon cancellation any unearned premium due Borrower (insured) whether the insurance carrier or the Borrower requests the cancellation; said unearned premiums to be applied by Payee to Borrower's obligation to Payee and should there be any excess the excess shall be immediately remitted to Borrower.
