In consideration of Lender advancing to and for the benefit of Debtor, whether one or more, the "Amount Financed" above stated, the undersigned, jointly and severally, do hereby promise to pay to the order of Lender at its office in the city designated above, the amount designated above as "Total of Payments" in accordance with the schedule of payments and the first and final installment above set out. Such "Total of Payments" includes interest computed, if the above stated "Amount Financed" does not exceed \$1,000, at a rate not in excess of 3% per month on that part of the amount financed not in excess of \$100 and 1/2% per month on the remainder of the amount financed; or, if the above stated "Amount Financed" exceeds \$1,000, at a rate not in excess of \$100 per \$100.00 per year or 1.2% per month on that part of the amount financed not in excess of \$1,000 and 1/2% per month on the remainder of the amount financed exceeding \$1,000.00. The rate of charge to pay any installment of the amount financed or interest when due, or default in any of the covenants or conditions herein contained, shall, without notice, at the election of Lender, mature the whole amount remaining unpaid hereon and the same shall be forthwith due and payable.

DEFAULT CHARGE: Each installment delinquent for a period of not less than 10 days shall bear one delinquency charge of 5% of the installment or \$2.50, whichever is the lesser, at the option of the holder hereof.

DEFERMENT CHARGES: If the payment date of each wholly unpaid installment on which no charge for default has been collected is deferred as of installment date for one or more full months and the maturity of the contract is extended for a corresponding period of time, additional interest may be collected for each deferral. The interest for such deferral shall not exceed the difference between the refund which would be required for prepayment in full as of the scheduled due date of the installment and the amount which would be required for prepayment in full as of the date of the deferral. The interest for such deferral shall be computed on the basis of the amount of the installment which was deferred.

PREPAYMENT: If this loan is paid in full by cash, a new loan, refinancing or otherwise, one month or more before the final installment due date, Debtor shall receive a rebate of the precomputed finance charge based upon the Rule of 78ths, after first deducting additional days charges equal to one-twelfth of the amount of interest which would be applicable to a first installment period of one month for each extra day by which the first installment due date extends beyond thirty days from the date the loan was made. If the above stated amount financed is \$2,000 or less and partial prepayment equal to one full installment or more is made one full month or more before the amount to be paid is due, the precomputed finance charge is subject to recomputation as provided by Section 16-411(f) of the Kansas Consumer Loan Act.

Extension of the time of all or any part of the amount owing hereon, or any variation, modification or waiver of the terms or conditions hereof at any time or times shall not affect the liability of any party hereto or co-maker, endorser, guarantor or surety hereof, it being the intent of all parties to this note that they shall continue jointly or severally, absolutely liable for payment of the aforesaid indebtedness until the same is actually paid in full. Co-makers, endorser, guarantors, sureties, and all parties hereto hereby waive notice of acceptance, prepayment for payment demand, protest and notice of demand, nonpayment and protest of this note.

SECURITY: To secure payment of the aforesaid obligation, all future advances made by Secured Party for taxes, levy, and insurance on said collateral, and all other money hereinafter or hereafter advanced by Secured Party to or for the account of the Debtor, Debtor, whether one or more, hereby grants to above named Secured Party a security interest in the following described property:
