Mortgagor hereby assigns to mortgagee the rents and income arising at any and all times from the property, mortgaged to secure this note, and hereby authorizes mortgagee or its agent, at its option, upon default, to take charge of said property and collect all rents and income and apply the same on the payment of insurance premiums, taxes, assessments, repairs or improvements necessary to keep said property in tenable condition, or other charges or payments provided for in this mortgage or in the note hereby secured. This assignment of rents shall continue in force until the unpaid balance of said note is fully paid. It is also agreed that the taking of possession hereunder shall in no manner prevent or retard mortgagee in the collection of said sums by foreclosures or otherwise.

If said mortgagor shall cause to be paid to mortgagee the entire amount due it hereunder and under the terms and provisions of said note hereby secured, including future advances, and any extensions or renewals thereof, in accordance with the terms and provisions thereof, and comply with all the provisions in said note and in this mortgage contained, then these presents shall be void; otherwise to remain in full force and effect, and mortgagee shall be entitled to the immediate possession of all of said premises and may, at its option, declare the whole of said note due and payable and have foreclosure of this mortgage or take any other legal action to protect its rights, and from the date of such default all items of indebtedness hereunder shall draw interest at the rate of 10% per annum. Appraisal and all benefits of homestead and exemption laws are hereby waived.
