said bonds and coupons at the time and place therein designated.

Seventh. That if grantor herein shall, for the period of sixty days after the maturity, neglect, fail or refuse to pay any of said interest coupons, to set apart any of said sinking ~~fund~~, fund, or to pay any of said bonds or shall, for a like period after they are due, neglect, fail or refuse to pay any assessments or taxes levied against said rural gas supplying systems or other property of the company or against said bonds, or shall neglect, fail or refuse to repair, maintain or operate said rural gas supplying systems, or to keep and perform any of the covenants and agreements, as herein provided, then all of said unpaid bonds and interest coupons shall, at the option of a majority holding thereof, become immediately due and payable, and thereupon, upon written notice from said majority holding to the said The Banking Trust Company, it shall immediately take possession of the grantor's said rural gas supplying systems and property, and shall by and with the advice and consent of said majority holding either operate said rural gas supplying systems or institute legal proceedings to sell said rural gas supplying systems and property and foreclose this trust.

Eighth. Said trustee shall not be obliged to make cash advances nor to obligate itself pecuniarily, and shall not be responsible beyond exercising due diligence in the employment of agents to operate said rural gas supplying systems or of attorneys to foreclose this trust, nor in the performance of its duties as trustee hereunder, and shall not be obliged, in case of taking possession and operating said rural gas supplying systems or foreclosing this trust, to recognize the request of any bondholders until they deposit their bonds with said trustee. Said trustee shall be paid a
