

any such taxes, so as to affect this mortgage, the holder of this mortgage and of the debt which it secures, shall have the right to give thirty days' written notice to the owner of the land requiring the payment of the mortgage debt. If such notice be given, the said debt shall become due, payable and collectible at the expiration of said thirty days.

And it is agreed that in case default shall be made in the payment of the principal of said note or any installment thereof or of any interest thereon when due, or in the payments of any insurance premiums, taxes or special assessments, or if there shall be a failure to comply with any condition of this mortgage, then the said note and the whole indebtedness secured by this mortgage, including all payments for taxes, assessments, insurance premiums, liens, expenses and attorney's fees, herein specified, shall, at the option of the party of the second part, its successors or assigns, become due and payable at once without notice to the parties of the first part, and be collectible at once by foreclosure or otherwise, and appraisement is hereby expressly waived.

As additional and collateral security for the payment of said note, the mortgagor hereby assigns to said mortgagee, its successors or assigns, all the rights and benefits accruing to the parties of the first part under all oil, gas or mineral leases on said premises, this assignment to terminate and become void upon release of this mortgage.

Provided, however, that said party of the second part, its successors or assigns, shall be chargeable with no responsibility with reference to such rights and benefits nor be accountable therefor, except as to sums actually collected by it or them, and that the lessees in any such leases, shall account for such rights or benefits to the parties of the first part or their assigns until notified by legal holder thereof to account for and to pay over the same to such legal holder. Should operation under any oil, gas or mineral lease seriously depreciate the value of said land for general farming purposes, the note secured by this mortgage shall immediately become due and collectible, at the option of the holder of this mortgage.

In case of the renewal or extension of the indebtedness hereby secured, or any part thereof, all the provisions of this mortgage and the lien thereof, from its date, shall remain in force as fully and with the same effect as if it were made originally to mature at such extended time.

In Witness Whereof, the said parties of the first part hereunto set their hands and seal the day and year first above written.
